ABSTRACT

This research aims to determine the congregation's understanding of the Holy Communion, as well as a dogmatic study of the holy communion GERMITA Petra Ensem.

This research is a descriptive type of qualitative research. The data in this research were collected based on observation, interviews and documentation techniques. The results of the researcher's research show that the congregation still does not understand the meaning of the Holy Communion so that in the implementation of the Holy Communion there are those who attend the Holy Communion, and those who do not in the GERMITA Petra congregation. Ensem. Dogmatic studies of the understanding and practice of Holy Communion are not appropriate

From the results of this research, it was recommended that the Congregational Council Working Body (BPMJ) GERMITA Petra Ensem should organize a seminar or Bible study on the topic of Holy Communion for the congregation. Carrying out shepherding and praying for congregation members with special needs.

Keywords: Dogmatics, Holy Communion.
