ABSTRAK

Skripsi ini merupakan hasil penelitian yang membahas tradisi menurut teks Markus 7:1-23 dan implementasinya bagi GMIST Maranatha Humbia. Tujuan dari penelitian ini, yaitu untuk melihat kembali bagaimana harusnya jemaat mampu mempraktekan tradisi yang baik melalui teks Markus 7:1-23. Dalam melakukan penelitian ini, peneliti menggunakan metode penelitian kualitatif dengan menggunakan pendekatan historis kritis. Penelitian ini dilaksanakan di gereja GMIST Maranatha Humbia pada bulan januari sampai juli 2022.

Pengumpulan data yang dilakukan oleh peneliti yaitu melalui observasi, wawancara, serta melalui literatur-literatur. Setelah melakukan penelitian di lapangan maka ditemukan bahwa jemaat telah memahami konsep tradisi yaitu suatu kebiasaan yang dilakukan secara berulang-ulang dan dan turun-temurun.

Berdasarkan penelitian yang dilakukan oleh peneliti, maka peneliti pun memberikan saran agar bagaimana pendeta dan pelayan berperan aktif dalam memberikan pengajaran dan pembinaan atau bisa disebut penggembalaan bagi warga jemaat mengenai maksud dan tujuan dari melaksanakan tradisi.

ABSTRACT

This thesis is the result of research that discusses tradition according to the text of Mark 7:1-23 and its implementation for GMIST Maranatha Humbia. The purpose of this study is to look back at how the church should be able to practice good traditions through the text of Mark 7:1-23. In conducting this research, researchers use qualitative research methods using a critical historical approach. The study was conducted at the GMIST Maranatha Humbia church from January to July 2022.

Data collection carried out by researchers is through observation, interviews, and through literature. After conducting research in the field, it was found that the congregation had understood the concept of tradition, which is a habit that is carried out repeatedly and for generations.

Based on research conducted by researchers, the researcher also gave suggestions so that how pastors and servants play an active role in providing teaching and coaching or can be called pastoral for the citizens of the congregation as to the purpose and purpose of carrying out the tradition.
