

**"PASTORAL COUNSELING FOR MENTALLY WOUNDED YOUTH AT
GMIM JORDAN LEWET AMURANG"**

YUDI MARIO SANTO HORMAN

ABSTRACT

This research identifies and describes the impact of spiritual wounds on youth in GMIM Yordan Lewet Amurang, as well as the important role of pastoral counseling in healing. Qualitative research methods were used to understand how mental wounds affect the lives and worldviews of youth. The results showed that inner wounds can result in decreased quality of life, emotional disturbances, and difficulties in interpersonal relationships. Pastoral counseling is described as an important holistic approach in providing emotional, spiritual, and practical support, as well as promoting the recovery and spiritual growth of youth.

Keywords: Pastoral Counseling, Youth, Inner Wounds

“PASTORAL KONSELING TERHADAP PEMUDA YANG MENGALAMI LUKA BATIN DI JEMAAT GMIM YORDAN LEWET AMURANG”

ABSTRAK

Penelitian ini mengidentifikasi dan mendeskripsikan dampak luka batin pada pemuda di Jemaat GMIM Yordan Lewet Amurang, serta peran penting pastoral konseling dalam penyembuhan. Metode penelitian kualitatif digunakan untuk memahami bagaimana luka batin mempengaruhi kehidupan dan pandangan dunia pemuda. Hasil penelitian menunjukkan bahwa luka batin dapat mengakibatkan penurunan kualitas hidup, gangguan emosional, dan kesulitan dalam hubungan interpersonal. Pastoral konseling dijelaskan sebagai pendekatan holistik yang penting dalam memberikan dukungan emosional, spiritual, dan praktis, serta mempromosikan pemulihan dan pertumbuhan spiritual pemuda.
