

**KAJIAN ETIKA KRISTIANI MENGENAI KEKERASAN DALAM
MENDIDIK ANAK DI JEMAAT GMIST DAMSYIK TIWELO RESORT
TABUKAN SELATAN**

OVINDRA TEMPONGBUKA

ABSTRAK

Tujuan dari penelitian ini ialah untuk mengetahui bagaimana pemahaman orang tua mengenai kekerasan dalam mendidik anak, apa saja faktor penyebab terjadinya kekerasan dalam mendidik anak, apa saja dampak yang diperoleh anak akibat kekerasan, dan dikaji berdasarkan etika Kristen. Penelitian ini menggunakan metode penelitian kualitatif dengan pendekatan deskriptif dan dilakukan pada tahun 2022.

Data dikumpulkan melalui teknik observasi, wawancara dan dokumentasi. Melalui hasil pembahasan diperoleh indikasi bahwa: (1) Pemahaman orang tua mengenai kekerasan ada yang bersifat positif dan ada juga yang negatif, (2) Faktor penyebab terjadinya kekerasan disebabkan oleh beberapa faktor di dalamnya seperti faktor amarah, pengendalian diri dan pemahaman agama yang kurang dari orang tua, faktor perkembangan zaman, ekonomi dan budaya atau tradisi, (3) Dampak yang diperoleh anak baik secara fisik dan psikis, (4) Kajian etika kristiani dari sudut pandang Deontologis, Kontekstual dan Teleologis.

Berdasarkan hasil temuan tersebut peneliti mengharapkan agar orang tua dapat memahami dengan baik bagaimana cara mendidik anak tanpa kekerasan, orang tua dapat memahami dampak yang diperoleh anak akibat tindakan kekerasan, gereja lebih memperhatikan apa tujuan pelayanan yang tercatat dalam Tata Gereja GMIST serta memberikan pelayanan pembelajaran katekisasi yang baik bagi calon sidi jemaat.

Kata Kunci: Etika Kristiani, Kekerasan.

**STUDY OF CHRISTIAN ETHICS REGARDING VIOLENCE IN EDUCING
CHILDREN IN GMIST DAMSYIK TIWELO RESORT TABUKAN**

SELATAN

ABSTRACT

The purpose of this study is to find out how parents understand about violence in educating children, what are the factors that cause violence in educating children, what are the impacts that children get as a result of violence, and studied based on Christian ethics. This study uses a qualitative research method with a descriptive approach and was conducted in 2022.

Data were collected through observation, interviews and documentation techniques. Through the results of the discussion, there are indications that: (1) Parents understanding of violence is positive and some is negative, (2) Factors that cause violence are caused by several factors such as anger, self-control and religious understanding which is less than parents, developmental factors of the times, economy and culture or tradition, (3) the impact on children both physically and psychologically, (4) study of Christian ethics from a Deontological, Contextual and Teleological point of view.

Based on these findings, the researcher hopes that parents can understand well how to educate children without violence, parents can understand the impact that children get as a result of acts of violence, the church pays more attention to what the goals of service are recorded in the GMIST Church Order and provide catechism learning services that are good for the prospective congregation.

Keywords: Christian Ethics, Violence.
